Please rank the student as well as you can, along the listed dimensions. Note that the scale is nonlinear. Feel free to check “Insufficient Information” if you cannot make a judgment.

	Top 1%	5%	10%	20%	50%	Below 50%	Insufficient Information
Intellectual ability							
Breadth of general knowledge							
Depth of knowledge in undergraduate area							
Motivation and initiative							
Maturity and stability							
Ability to work independently							
Ability to work with others							
Ability to speak and write English							
Creativity							
Clarity of goals for graduate study							
Overall potential for graduate study							

How long have you known this applicant, and in what capacity?

In making this evaluation, what group of students are you using as a comparison?

Please describe the particular strengths and weaknesses of this student. Also describe any special talents or experience.

If you have worked with this student on special projects, please describe the student’s role on the projects and give an evaluation of the student’s performance. Your comments on any favorable or unfavorable indications of individual (or team) research potential are highly welcome.

Additional information you would care to provide:

Please seal and sign the envelope.
