

REGISTRATION INFORMATION FOR GRADUATE STUDENTS

Registration Dates: 07 – 09 September 2017

Location: Main Campus Sports Center

Documents Required for Registration

- 2 certified copies of undergraduate or graduate diploma
For PhD applicants proof of master's thesis is required if it is not stated on the diploma, i.e. provide the signature page of the thesis.
- 2 copies of the following passport pages: identification information, stamp of the last date of entry to Turkey and for students coming from countries which are not exempt from the visa requirement to enter Turkey, the visa issued by the Turkish consulate in your country.
- 2 copies of the GRE (or GMAT for Business Administration Department) score sheet
- English Proficiency Exam score sheet (IELTS or TOEFL)*
- 3 passport size photographs
- For non-scholarship students, bank receipt of paid tuition fee. Please inform the Registrar's Office via aim@bilkent.edu.tr if you are planning to make a wire transfer from your home country.
- Original transcript of your undergraduate/graduate program.

* The acceptance of the English Proficiency Exam result is subject to the exam centre posting the results to Bilkent University Registrar's Office and online verification of the results.

REGISTRATION APPOINTMENT

Starting from 25 August 2017, please get an appointment by visiting the web site at <https://stars.bilkent.edu.tr/gradapp/appointment/>. To access the appointment service use the same email address and password you used to apply for the graduate program.

RESIDENCE PERMIT

International students must obtain a Residence Permit within a maximum of 30 (thirty) days after entering Turkey. The Office of International Students will provide the necessary documents before students go to the Ankara Directorate of Security, Bureau of Residence Registration to apply for their student residence permits.

HEALTH INSURANCE

All international students are required to register to the health insurance system in Turkey for the duration of their study at Bilkent University. After registration the Office of International Students will provide the details of the available health insurance options.
